

# MAKE YOUR OWN CHRISTMAS TREE

MERRY CHRISTMAS

## MATERIALS NEEDED

- Paper
- Pipe cleaners (Pick your colours!)
- Glue gun/Art glue

## INSTRUCTIONS

**1** Make a cone with the paper.

**2** Cut one pipe cleaner into 4 and fold each part into a U-shape.

**3** Glue each part onto the cone.

**4** Fold each leaf up to make a curl.

**5** To make a star, make small folds using a pipe cleaner.

**6** Cut off the excess and glue the ends together.

**7** Glue the star to the tree and you're done!

**OPTIONAL STEPS:**

\* Optional materials needed:

- Decorative beads

**8** Glue beads onto the tree to decorate.

Merry  
Christmas

FROM THE AUTISM COLLABORATIVE!
